Location: New Delhi, India | LinkedIn: linkedin.com/in/ananyamishra2024

OBJECTIVE

Motivated Computer Science graduate seeking entry-level software development position to apply technical skills and knowledge in building scalable applications while growing as a developer.

EDUCATION

Bachelor of Technology in Computer Science

Delhi Institute of Technology | Graduation: May 2024

CGPA: 8.7/10 | Merit Scholarship (2021-2024)

Relevant Coursework: Data Structures, Web Development, Database Management, Operating Systems, Object-Oriented Programming, Software Engineering

TECHNICAL SKILLS

Languages: Python, Java, JavaScript, C++, SQL

Frontend: React, HTML, CSS, Bootstrap

Backend: Node.js, Express, Flask

Databases: MySQL, MongoDB

Tools: Git, VS Code, Postman, Figma

ACADEMIC PROJECTS

Smart To-Do List Application

Technologies: React, Node.js, MongoDB, JWT Authentication

Duration: Jan 2024 – Apr 2024

Developed full-stack task management application with user authentication and real-time synchronization. Implemented drag-and-drop functionality for task organization. Deployed on Heroku with responsive design for mobile and desktop.

Sentiment Analysis on Twitter Data

Technologies: Python, NLP, Pandas, Scikit-learn, Matplotlib

Duration: Aug 2023 – Nov 2023

Built machine learning model analyzing sentiment of 50K+ tweets achieving 87% accuracy. Created data visualization dashboard using Matplotlib and Plotly. Generated insights report on trending topics and sentiment distribution.

University Event Management System

Technologies: Java, MySQL, Swing GUI, JDBC

Duration: Feb 2023 – May 2023

Designed and developed desktop application for managing university events, registrations, and tickets. Implemented database schema with 8 tables. Created intuitive UI with form validation and error handling.

INTERNSHIP EXPERIENCE

Summer Intern | TechStart Solutions | Jun 2023 – Aug 2023

Bangalore, India

- Assisted in development of React components for customer portal
- Fixed UI bugs and improved page responsiveness

- Participated in code reviews and sprint meetings
- Learned industry best practices and agile development

CERTIFICATIONS

AWS Cloud Practitioner (2024)

Google Cloud Associate Cloud Engineer (In Progress)

ADDITIONAL SKILLS

Problem-Solving, Team Collaboration, Communication, Quick Learning, Attention to Detail
